BIG SKY

big time
big world
big light
big sky

big sky
and the big lie
it's a big why
and she's so sly

see you in a big sky
hold up the big sky
under O sky
meet you sky to sky

fold you blue sky
lift you cloud sky
know you secret sky
feel you endless sky

big sky
big world
it's a big light
what a brilliant sight

big sky
just a white lie
it's a big why
and she's so sly

big sky
big world
it's a big light
what a brilliant sight

big sky
just a white lie
it's a big why
and she's so sly

ON THE WAY TO YOU

tear it down
tear it down

come with me
this is an ocean of trying
with everything to win
everything to give

I'll fly to you
I'll mathematic the air on the way to you
through you and to you
my brothers and sisters to you

massive over response
it's a clearly ensconced
habitual way
nothing to say

dance with me to the end of love
my bloody feet
your golden hands
these virgin lands
meant for someone else

dance for me to the end of love
these green lands
in the hope of becoming
the golden bough
to the end of time

undeserving hands
the look of time
the make of rhyme

LOVE SONG

I always assumed we would travel together
work this land together and ever
but the path is splitting
we're not walking the same road

but I'll meet you on the other side
the other side of this

don't believe I won't be working
don't believe I won't be walking
don't believe I won't be meeting you there

in that place
yes, that place

others have been there
but not me
no, not me
no, not yet

don't believe I won't greet you
don't believe I won't remember you
don't believe I won't know you

in that place
yes that place

others have been there
but not me
no, not me
no, not yet
